This brochure highlights some of the small groups at each campus that are currently open to new members.

Enrollment capacity in these groups is limited.

Should the number of signups exceed small group size, your Campus Small Groups Directors are ready to assist you in connecting with another small group of your choice.

Este folleto destaca algunos de los grupos pequeños en cada sede que actualmente están abiertos a nuevos miembros.

La capacidad de inscripción en estos grupos es limitada.

Si el número de inscripciones excede el tamaño de un grupo pequeño, los directores de grupos pequeños de tu sede están listos para ayudarte a conectarte con otro grupo pequeño de tu elección.
